

430 The Boardwalk, Suite 206 & 210, Waterloo, Ontario, N2T 0C1

We are seeking Internists and Cardiologists interested in joining our outpatient cardiology group practice.

K-W Cardiopulmonary Services Inc. (CPS) is a busy outpatient facility that provides cardiac and pulmonary diagnostic services to the patients of Kitchener-Waterloo, Cambridge, Guelph, and those elsewhere in Southwestern Ontario. Our region is a vibrant and thriving community, and a great place in which to live, work and raise a family.

Our physician group currently consists of 17 cardiologists and 10 respirologists. We are closely affiliated with the Regional Cardiac and Respirology Programs at St. Mary's General Hospital. More information about our facility is available at www.kwcps.com.

Our total catchment area exceeds 1 million people, and we have a large and well established referral base. We will help set up your practice. This is an excellent opportunity for those looking for a turnkey outpatient practice setup. Part-time and locum opportunities available. Suitably qualified physicians joining our group can interpret and be reimbursed for cardiac tests (ECGs, Holters, Echocardiograms, Stress tests, and Stress echo). Remuneration will be on a fee-for-service model. Overhead expenses are divided up equitably and fairly amongst our group.

Minimum Requirements:

1. Independent practice license with the College of Physicians and Surgeons of Ontario
2. Certification by the Royal College of Physicians and Surgeons of Canada in Internal Medicine or Cardiology
3. Current medical malpractice licence (CMPA or equivalent)

To apply, please send a brief email and your CV to Kim Jozkow: cps.admin@kwcps.com

Eligible and interested cardiologists may concurrently apply for a position at the St. Mary's Regional Cardiac Care Centre/St. Mary's General Hospital – posted separately at: <https://www.drcareers.ca/job-details/9421/non-invasive-cardiologist/?kw=cardiologist&ix=1#top-paginat ion>
